

Perimeter Plus Lot Management System

Helps Protect your New Vehicle Inventory

Easy and Convenient to Use

Add PNVR to Every Vehicle Sale

- Simply plug in Perimeter Plus Security Module, no splicing required
- Convenient car find - enter the vehicle Stock Number & hit Find
- Salespeople can unlock and start vehicles to pre-warm/pre-cool without keys*
- Automatically relocks vehicle after 5 minutes
- Track salesperson traffic - handy report function for Sales Managers

*Remote Start functionality not available for all vehicles.

Protect Your New Vehicle Inventory! And track who has been in the vehicle giving demos!

Perimeter Plus Lot Management Features

- Perimeter Plus Security Modules can be installed and set to Lot Mode at vehicle check-in
- Authentication Control Processor (ACP) works independently of other dealership systems, no wi-fi or internet connections required
- Salesperson Lot Remote (SLR) is authenticated daily to operate vehicles equipped with the Lot Management System
- Fewer trips to the key track machine:
 - Find the vehicle with the Search function
 - Access the vehicle using the keypad
 - Start the vehicle to heat or cool during demo*
- Track salesperson activity - all SLR activity is downloaded daily into the ACP for management review
- Automatically relocks vehicle after 5 minutes (or 30 minutes after key is removed)

Dealer Benefits

- System includes Master Lot Remote (MLR) failsafe in case of system failure or theft of ACP
- Security system in every vehicle - ready to sell!
- Protects new vehicle inventory
- Purchase Perimeter Plus Security Modules in bulk for added discounts
- Security Modules and Remote Start components eligible for residualization on Red Carpet Leases
- High satisfaction/low warranty
- Automatically locks doors and arms vehicle alarm
- Four Security Modules service the majority of new Ford/Lincoln vehicles (Fiesta & Transit excluded)
- Authorized personnel control the easy conversion to Consumer Mode at time of sale
- Provides opportunity to upgrade to long range remote start even on vehicles with factory system

*Remote Start functionality not available for all vehicles.

Perimeter Plus Lot Management is available via your Ford Accessory Distributor. Contact the Accessories Help Desk at 1-888-826-5105 for FAD contact information. Pricing and warranty are provided by VoxxHirschmann. ACP, MLR and additional SLRs are sold separately.
